ON THE UNIQUE ASSESSMENT

In accordance with the General Regulations for the Evaluation and Grading of Official Courses and UCV's Own Degrees, the unique assessment is linked to the impossibility of attending class by students enrolled in a degree. It is, therefore, an extraordinary and exceptional evaluation system that may be opted for by those students who, in a justified and accredited manner, cannot submit to the continuous evaluation system, and who request it from the professor in charge of the subject, who will expressly decide on the admission of the student's request for a unique assessment and will communicate the acceptance/denial to the student. In the People Management course, students must attend at least 70% of the sessions.

The unique assessment, both in the first and second chance, will consist of the final exam, which will account for 75% of the grade, along with the completion of all theoretical and practical activities, which must be submitted in a timely manner and will account for 25% of the final grade. In the second chance, the final exam will include an oral section on the submitted activities.

ON THE USE OF ARTIFICIAL INTELLIGENCE (AI)

The use of any type of AI is not permitted in theoretical or practical activities or any type of assessment test, unless specifically directed by the responsible instructor.
