Assessment system for the acquisition of competencies and grading system

In-class teaching

Assessed learning outcomes	Granted percentage	Assessment method
R1, R2, R3, R4, R5, R6, R7, R8, R9, R10	30,00%	Analysis and resolution of case studies.
R1, R2, R3, R4, R5, R6, R7, R8, R9, R10	20,00%	Attendance and participation in class.
R1, R2, R3, R4, R5, R6, R7, R8, R9, R10	50,00%	Exam or objective test to measure obtained competences.

Observations

Criteria for the awarding of honors qualification: Explain the specific criteria indicated for the course and faculty to which the degree is ascribed and in accordance with the general regulations that indicate that only one honors qualification can be awarded per 20 students, not per fraction of 20, with the exception of groups of under 20 students in total, in which one qualification can be awarded. MINIMUM GRADE CRITERIUM IN THE FINAL EXAM: It will be necessary to obtain, at least, a 4 in the exam in order to apply the percentages obtained from the grades of the practical part and the part related to class attendance, and thus obtain the final grade of the subject that must be equal or superior to 5. OTHER CRITERIA TO BE CONSIDERED: For the second call the practical assignments submitted and the attendance and participation in class will be kept and taken into account to the same extent and percentage. The practical assignments delivered after the due date will only account for half of the total grade assigned to them. Regarding attendance and participation, attendance will account for 10 percent of the grade, and participation for the other 10 percent. If any student detects an error in the evaluation of attendance on the platform, he or she must tell the professor within the following ten days.

Online teaching

Assessed learning outcomes	Granted percentage	Assessment method
	50,00%	Final test and/or final work
	20,00%	Participation in programmed activities
	30,00%	Presentation of works and projects

Addendum to the Course Guide of the Subject

Due to the exceptional situation caused by the health crisis of the COVID-19 and taking into account the security measures related to the development of the educational activity in the Higher Education Institution teaching area, the following changes have been made in the guide of the subject to ensure that Students achieve their learning outcomes of the Subject.

Situation 1: Teaching without limited capacity (when the number of enrolled students is lower than the allowed capacity in classroom, according to the security measures taken).

In this case, no changes are made in the guide of the subject.

Situation 2: Teaching with limited capacity (when the number of enrolled students is higher than the allowed capacity in classroom, according to the security measures taken).

In this case, the following changes are made:

1. Educational Activities of Onsite Work:

All the foreseen activities to be developed in the classroom as indicated in this field of the guide of the subject will be made through a simultaneous teaching method combining onsite teaching in the classroom and synchronous online teaching. Students will be able to attend classes onsite or to attend them online through the telematic tools provided by the university (videoconferences). In any case, students who attend classes onsite and who attend them by videoconference will rotate periodically.

In the particular case of this subject, these videoconferences will be made through:

☒ Microsoft Teams

☐ Kaltura

Situation 3: Confinement due to a new State of Alarm.

In this case, the following changes are made:

1. Educational Activities of Onsite Work:

All the foreseen activities to be developed in the classroom as indicated in this field of the guide of the subject, as well as the group and personalized tutoring, will be done with the telematic tools provided by the University, through:

☒ Microsoft Teams

☐ Kaltura

Explanation about the practical sessions:

2. System for Assessing the Acquisition of the competences and Assessment System

ONSITE WORK

Regarding the Assessment Tools:

☒ The Assessment Tools will not be modified. If onsite assessment is not possible, it will be done online through the UCVnet Campus.

☐ The following changes will be made to adapt the subject's assessment to the online teaching.

Course guide		Adaptation	
Assessment tool	Allocated percentage	Description of the suggested changes	Platform to be used

The other Assessment Tools will not be modified with regards to what is indicated in the Course Guide.

Comments to the Assessment System:

And how will online participation be valued? In many different ways, such as the following:

- 1) Taking into account the interventions of the students in the online classes themselves, with the corresponding records or notes.
- 2) Considering virtual tutorials through the UCVnet virtual Campus or online sessions through Teams developed as a group or individual tutorial.
- 3) Taking into account the interventions in the forum created on the UCVnet platform to raise and answer questions on the agenda.
- 4) Considering the emails or messages received raising questions about the subject's agenda.

ONLINE WORK

Regarding the Assessment Tools:

☒ The Assessment Tools will not be modified. If onsite assessment is not possible, it will be done online through the UCVnet Campus.

☐ The following changes will be made to adapt the subject's assessment to the online teaching.
