2. SISTEMA OF EVALUATION OF THE ACQUISITION OF THE COMPETITIONS AND SYSTEM OF QUALIFICATIONS

Regarding the instruments of evaluation:

- ☒ They do not go to make modifications in the instruments of evaluation. In the case of not being able to make the proofs of evaluation of face-to-face form, will do telematic road through the campus UCVnet.
- ☐ the following modifications to adapt the evaluation of the subject to the no face-to-face teaching

According to the teaching guide		Adaptation	
Instrument of evaluation	% Awarded	Description of changes proposed	Platform that will employ

The rest of instruments of evaluation will not modify with regard to what appears in the educational guide.

Observations to the system of evaluation:

To pass the subject, it is necessary to demonstrate in all oral and written productions a linguistic mastery of advanced level. Therefore, each spelling error will be, consequently, penalized in works and exams with 0.50 points. Three misspellings will be equivalent to a spelling error.

The assessment will include a long developmental question in the final exams and a subject-related reading book.
